News and Reminders

Our 2019-2020 school year is off to an incredible start! This year we are implementing a Theme-based curriculum in our classrooms. You will see lots of age-appropriate, hands-on learning activities each week!

We are excited to announce that we will have a birthday celebration for our center's first birthday on October 25th. Mark your calendars! More information to follow!

- Students must be present by 8:30 AM.
- Please remember to sign in and out daily. This is required by DHR.
- Please do not allow students to enter the building with outside food or drink.
- Please do not allow your children to bring toys, etc. from home. A small stuffed animal or blanket for nap is acceptable, but items will only be given at nap time.
- PLEASE LABEL EVERYTHING!! Cups, lids, bookbags, clothing.....everything must be labeled.
- Please make sure that your child has an adequate supply of season appropriate clothing.

Literacy Tip: Students are learning pre-reading skills this month including important parts of a book, reading left-to-right, etc. Model these at home while reading by showing children the front and back cover, proper ways to hold a book, etc.

Math Tip: Sorting is a great early math concept that children of any age can do. Make it more interesting by using treats such as fruit loops, Skittles, or M&Ms.

Home-School Connection: We will be providing a calendar of Themes each month so that you can talk with your child about what they are learning. Be on the lookout for our Friday recap videos on our Facebook page!
